

Wedding Directors:

Wedding Director – Janice Burnette

Janice Burnette is our Wedding Director. She and her team will provide their services to couples who plan to have their wedding ceremony at the Whitlock Inn. She will meet with you a few weeks before your wedding to discuss on-site ceremony location options, determine placement of the wedding party and design the flow of your ceremony. She will attend your rehearsal and direct the practice of all the ceremony procedures so that the wedding party will be familiar with their positions and duties. Finally, on your Wedding Day, she will assist the couple and wedding party before the ceremony with pre-ceremony details, seating of family members and guests, music presentation, choreographing the ceremony and wedding party, and managing the reception timeline and events.
